

Тест “Прогресивні матриці Равена”

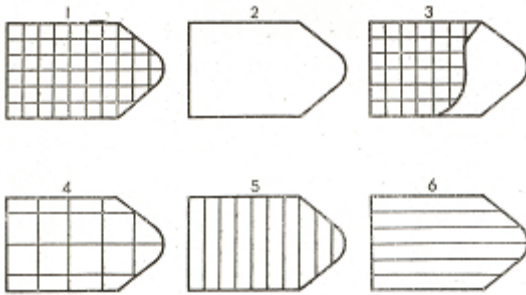

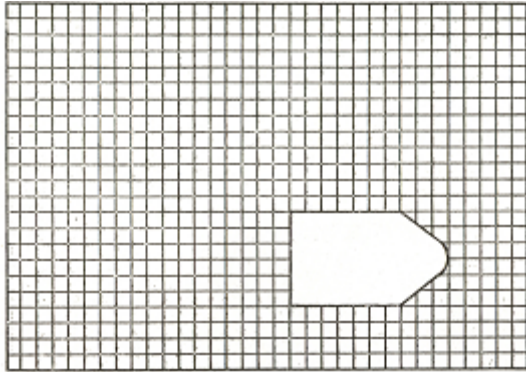

Інструкція: Вам буде запропоновано 60 завдань, кожне з яких містить основне зображення, що має певний фон або складові елементи, або фігури, які пов'язані певною залежністю. При цьому у нижньому правому кутку зображення на вистачає одного фрагмента (або елемента). Вам необхідно встановити залежність, що пов'язує між собою вказані елементи зображення, а потім вибрати серед запропонованих варіантів елемент якого не вистачає в основному зображенні. Час на виконання тесту – 20 хвилин.
